Act 131 of 2005

From time to time, the Governor shall inform the General Assembly on the condition of state government. ## Agency Commentary

### Office of the Governor-Little Rock

The Governor's Office is currently authorized fifty-nine (59) state-funded full time positions and seven (7) Extra Help positions. All maintenance line items are requested at the 2005-07 authorized level. Capital Outlay is requested to be restored to the 2005-07 authorized level of \$8,000.

### Office of the Governor-Washington D.C.

The current Governor's Office Washington DC Annex is a vital link to federal issues that impact our State. Arkansas currently receives \$5,260,957,626 in funding from the federal government and that is 32.45% of our total revenues spent each fiscal year. Any increases in federal money coming to Arkansas help offset the strain on our state budget. Having a physical presence in Washington allows our State access to funding opportunities and enables us to work with Congress on federal legislation that directly impacts Arkansans. To date, we have attributed many successes to our current presence in Washington. This small increase in the Governor's Office budget, which has not been increased in eight years, has paid for itself many times over in the successful efforts to bring more funding to our State and impact legislation that affects all Arkansans.

### Governor's Emergency Fund

The Governor's Emergency Fund is requested to continue at the \$500,000 currently authorized amount each year of the biennium.
