Revenues deposited into this fund consists of annual certification fees paid by participating schools to the Board and are primarily used to cover expenses associated with providing for a student's continuing education in the event a school closes or to pay student claims when this arrangement is not feasible. Schools originally licensed during the 1989-91 biennium and have maintained their licensure for fifteen (15) years will not be assessed additional fees unless the fund balance totals less than \$500,000 on May 30th of any fiscal year. Regardless of the fund balance, schools that have not paid licensure fees for fifteen (15) years will continue being charged until they have paid fees for a minimum of fifteen (15) years. Act 565 of 2017 transferred the State Board of Private Career Education under the authority of the Arkansas Division of Higher Education.

Continuing level of appropriation is the FY2021 Authorized.

The Agency is requesting to continue \$300,000 in appropriation for each year of the Biennium.
