

ARKANSAS INDIVIDUAL INCOME TAX
ORGAN DONOR DEDUCTION

Table with 2 columns: Primary's legal name, Primary's social security number, Donor's name (If different than above), Donor's relationship to primary

Act 668 of 2005 established a deduction of up to \$10,000 for unreimbursed expenses related to the donation of a human organ...

The donation must have been made, while living, by the taxpayer or the taxpayer's dependent. The deduction must be claimed for the taxable year in which the organ transplantation occurred.

Table with 3 columns: Description, Line number, Amount. Rows include medical expenses, travel, lodging, lost wages, total expenses, maximum allowable deduction, and final deduction.

PLEASE SIGN: Under penalties of perjury, I declare that the above information is true, correct and complete.
