Composite Income Tax Return Instructions (AR1000CR)

Each composite return must be filed in the name of the pass-through entity, and the member who signs the return is responsible for any assessments or deficiencies incurred by the return. This requirement does not relieve any of the members from their personal liability in any way.

Only those members who must file Arkansas nonresident income tax returns as a result of their interest in a pass-through entity can be included in the composite return. Members who were Arkansas residents, became Arkansas residents during the year, or who had income/losses from Arkansas sources other than from pass-through entities, must be excluded from the composite return.

Note: A pass-through entity cannot be included as a member **on a composite return**. However, if a pass-through entity is a member, they must create and file a withholding passthrough return.

If filing an amended return, check the box at the top right corner of Form AR1000CR. Complete the return using the instructions below, replacing the incorrect entries from the original return with the corrected entries. **Attach supporting forms**

Line 8. Withholding paid by entity - FEIN on AR1099PT Form(s) must match FEIN on composite return. If claiming withholding that was paid on behalf of the entity by another entity a 1099PT must be included, or withholding will disallowed.

(Lines 9 through 18 – Follow instructions on form.)

Your tax return will not be complete unless officer, partner, or accountant signs it. Fill in preparer section if applicable.

AR1099PT

NOTE: Each entity claiming withholding must be registered to withhold under the FEIN on the composite return. Failure to register will result in disallowance of withholding. For information about registering, call (501) 682-7290 or go to www.dfa.arkansas.gov.
