### STATE TAX DEPRECIATION PROVISION UNAFFECTED BY NEW FEDERAL LAW

Arkansas has not adopted the depreciation provisions contained in the Job Creation Workers Act of 2002, the Jobs and Growth Tax Relief Reconciliation Act of 2003, the Working Families Relief and American Jobs Creation Acts of 2004 or the Energy Tax Incentive Act of 2005.

While the new depreciation provisions may be used for federal returns, Arkansas operates under a different tax code. On Arkansas income tax returns, taxpayers must file following the rules in sections 167, 168, 179, and 179A under the Internal Revenue Code of 1986, enacted January 1, 1999.

Arkansas does not recognize the bonus depreciation or the increased Section 179 expense provisions, therefore there may be differences in the Arkansas and the federal basis of assets that you dispose of during the year. These and any other differences should be reconciled using the adjustment lines in the worksheet below.

You can find more information about Arkansas tax code, or file your income tax electronically, by visiting the Department of Finance and Administration web site at [www.arkansas.gov/dfa/](http://www.arkansas.gov/dfa/)
