GENERAL INFORMATION

- I. Under the provisions of Act 388 of the Acts of the 1947 General Assembly of Arkansas, the State of Arkansas levies an estate tax on estates of resident and nonresident decedents. In the case of resident decedents, the amount of tax due the State of Arkansas is equal to the Federal Credit Allowable for State Death Taxes as determined by Table B of the United States Estate Tax (reproduced here). The amount thus determined is the Arkansas Estate Tax. This tax is item 5b on the Arkansas Estate Tax Return Form.
- II. In the case of the estate of a resident or a nonresident who dies having real property and/or tangible personal property located in a state other than Arkansas, the Arkansas tax due shall be a percentage of the Federal Credit Allowable for State Death Taxes in the same proportion which the amount of Arkansas property bears to the total property of the estate. The tax is item 10 on the Arkansas Estate Tax Return Form.
- III. In all instances of estates required to file a Federal Return with assets totally or in part in Arkansas, an Arkansas Estate Tax Return shall be filed with the Director of the Department of Finance and Administration nine (9) months after the date of the decedent's death. A copy of the Federal Return may be filed in lieu of the Arkansas Return herein specified.
- IV. No Estate Tax Return need be filed with the Director of the Department of Finance and Administration of this State unless a Federal Estate Tax Return is required to be filed under the Federal law. If a request is made for a release for real estate, however, an Arkansas Estate Tax Return will be required.
- V. Upon payment to the Director by the taxpayer (executor or administrator of the estate) the amount due this State, there shall be issued to said taxpayer a receipt of such payment in accordance with the requirements of the Federal agents for obtaining the proper credit on said Federal tax. Upon receipt of a copy of the Federal closing letter, the State of Arkansas will issue an Arkansas estate closing letter.
- VI. Interest on unpaid Arkansas Estate Tax accrues at ten percent (10%) per annum beginning nine (9) months from the date of death.
- VII. Arkansas has no inheritance or gift tax.
