#### **4. FAQ (Frequently asked questions):**

**Q:** Are the records I submit required to be in any specific order of submission?

**A:** No. There is no specific order of submission.

**Q:** I submitted what I thought was all my information in a transmission, but now have additional information which needs to be transmitted. Do I need to add the records to those already submitted and resubmit again?

**A:** No. Transmit the additional information only.

**Q:** May I submit more than one pass through entity information in the same submission?

**A:** Yes. Complete Form AR4PT for each pass through entity whose records are on the CD or diskette.

**Q:** Do I need to submit the nonresident member affidavit information on a CD or diskette as I receive the affidavits, or can I wait until I receive all of the signed affidavits?

**A:** The nonresident member affidavit information will be required to be filed on a CD or diskette with the Arkansas Department of Finance and Administration no later than the due date of your income tax return.
