Dear Mr. Norman,

Thank you for your correspondence dated October 28, 2010, dealing with the reassignment of vehicles now operated by the Division of Legislative Audit.

In issuing Executive Order 10-14, Governor Mike Beebe requested that all branches of State government take part in improving the overall management of the State's vehicle fleet. In this and other efforts, Arkansas's government must strive to provide the high level of efficiency and accountability that the taxpayers deserve.

As we work to sharpen and improve our management over the State's vehicle fleet, efforts such as that of the Division of Legislative Audit are sincerely appreciated.

Thank you for your assistance and cooperation.

Sincerely,

## LEGISLATIVE JOINT AUDITING COMMITTEE DIVISION OF LEGISLATIVE AUDIT

October 28, 2010

Mr. Richard Weiss, Director  
Department of Finance and Administration  
DFA Building  
1509 W 7th St, Room 401  
Little Rock, AR 72201

Dear Mr. Weiss:

The Division of Legislative Audit reassigned its vehicles to be pool vehicles. Nine vehicles will be based in Little Rock and sixteen will be based at the various regional offices over the state. The vehicles based in Little Rock will not be driven home. The vehicles based at the regional offices may be driven home by employees who live a minimal distance from the regional offices, thereby providing some degree of security to the vehicles overnight.

Each of the vehicles continues to be used to assist in the supervision of audits and to meet with auditors, auditees, and other officials as part of the audit responsibility for the Division.

Feel free to contact me if you have any questions.
